The British Empire Revisited

Four panelists and a moderator will assess the contemporary legacy of colonialism in the British Empire, focusing on the Celtic peoples of Scotland, Wales, and (the two) Irelands, and the peoples of the first nation outside the UK to leave the empire – India. Brexit may make a cameo appearance.

This will be recorded.

- ♦ Caleb Richardson, Ireland & Northern Ireland
- ♦ Lizabeth Johnson, Wales
- ♦ Margaret Connell-Szasz, Scotland
- ♦ Shatam Ray, India
