The coursework credit hour total for the MA program is 30 hours. Students pursuing Plan II (no thesis) must select a primary concentration and a secondary concentration, or a transcribed graduate minor from another department, or an approved alternate minor with capstone project. Plan II students must take 30 hours of coursework credit, of which 18 must be in the major concentration and 12 in the minor concentration (or 12-15, depending on the graduate minor/certificate program). No more than 2 courses of independent study, or "Problems" courses, (HIST 697, at 3 credit hours each) may count toward these requirements.

Required course: HIST 664, Advanced Historiography.
